Charity Event

The Y11 Business Studies group encouraged and supported by Mr. Steven decided that they wanted to raise money for a charity by having their hair shaved off! After some investigation they decided to support the 57357 Cancer Hospital in Cairo. Mr Steven did an introductory assembly explaining how cancer affects so many people and families and he talked specifically about the work done by charities to support children with cancer. 21 volunteers from Y5 - Y13 + some teachers agreed to have their hair shaved off and were sponsored to have this done.

In addition Ms Maren and Mr Stuart organised a sponsored swimming supported by several pupils. The following distances were achieved

Seif Y11 and Mr. Stuart swam 4 km = 160 lengths.

Alia Y11 swam 2 km = 80 lengths

Ms Maren swam 5.4 km = 216 lengths.

There will be an article in the El Gouna magazine next month with several photographs - please look out for this article.

Congratulations to all those who were involved. The final Grand Total is
